

The diagram shows a large rectangular area with rounded corners, representing a protective visor. At the top, there is a horizontal line with a central rectangular section. Two diagonal lines extend from the corners of this central section towards the top corners of the main rectangular area, ending in arrows. The text 'Area for the fixing strip' is centered between these two diagonal lines. The text 'Jig for cutting the Protective visor' is centered in the main rectangular area.

Area for the fixing strip
